

Welcome to Downtown Clarkesville

What gives us the right to say, "Experience Clarkesville First?"

Well, where else can you stroll amid century-old historic buildings and be greeted by folks who actually own the store you've walked into? Plus, we have a unique mix of "shoppportunity" options that you just won't find anywhere else.

We have a lot to be proud of, but what we're most proud of is our people. Our people make the town through their love of this place. They are committed to developing a vibrant community and they are committed to each other and our visitors. We believe that we have a really unique feel here. Before you experience anywhere else, Experience Clarkesville First.
